Unlocking Peak Performance in the Workforce: How Shifts in Work Culture and Strategies Can Drive Productivity

We know that in Canada, output per hour has declined by 10% since pre-pandemic levels. Let's discuss what shifts we're seeing in the workplace and strategies deployed to create a more productive and engaged workforce.

- What are each of you doing to evolve culture, build morale and drive productivity in your workplace?
- Do you use any new and innovative techniques when hiring new staff?
- What strategies are you using to attract candidates to enhance the diversity of the workforce?

1:50pm

Airport Workers Day

- The first Airport Workers Day is June 26th. How are your teams celebrating the first installment of this annual event?

2:15pm

Meeting Adjourned- Next Meeting November 6th & 7th- Halifax
